KILMARNOCK RACE DEAD HEAT FIFTH RACE WITH SADDUCEE.

Otherwise the Day's Sport at Sheephead Was Devoid of Life.

By Francis Trevelyan.

THE racing seen at Sheephead Bay yesterday was not calculated to produce heart disease in any lover of the "sport of kings." But for the heaven supplied by a dead heat, in which Sadducee came to life and fought it out with another good thing that John Madden was bringing, the day's racing would have had to be written down tame.

The weather was sweltering, a marked contrast to Thursday, when overcasts were in active demand. The attendance was again light.

Despite the fact that New Yorkers are supposed to have lost their taste for trotting, the meeting at the new Empire City track has undoubtedly played the mischief with Sheephead Bay's receipts this week.

The card was destitute of stake events, but the average of the added money was high. Rush had a very nice exercise gallop for a \$1,000 added purse; Azucena captured a handicap with \$1,200 added and Star of Bethlehem proved the best of a field of players who had it out for a race with \$1,400 put into the pot by the association at one and a half miles on the turf.

Ran a Dead Heat.

The dead heat came off in the fifth race. Gonfalon was an absolute moral, and after he had opened at 8 to 5 no better than 7 to 10 was laid against him at the close. He took very little part in the race, though he was always prominent.

Odom made most of the pace, with Kilmarnock and would have won but for being pinched in such a position that he could not use his whip.

Sadducee, with Sins up, was quoted at 10 to 1, but he showed more speed than in any recent race, and lunging with Kilmarnock so persistently that the judges could not separate the pair.

Mavilla was a bad third, and Gonfalon finished first of the "also rans."

Azucena ran a useful race, but the value of it was diminished by a very bad ride on O'Leary's part on the favorite, Swifts.

Maher got away well with Azucena, and made all the pace, but why O'Leary did not think it worth while to have up and pass her when he could have done so easily on the far turn deponent saith not.

U's finish, too, was exceedingly weak, and not only did Azucena beat him a length, but he only beat Maid of Harlan a head for the place.

Kinnikie, though well backed, was never in the hunt, and cannot recognize the distance, despite the one good race he ran at a mile and a sixteenth at Saratoga.

Heater Wins Maiden Race.

Heater, though not supported with any confidence by his stable, won the maiden two-year-old race, Maher rode him, and him an easy winner, after cutting the running.

He was a thing on Waterbury that his price from thirties to fours, but after running prominently and looking as if he might win at the bend he finished no better than fifth.

Rush had a mere romp in the second race. She had so much more speed than the field that she left them when and how she pleased, and won pulled up all through the stretch.

Alma was backed with such confidence in the six furlong selling race that though there were sixteen in the field 8 to 5 was the best price on tap at the end.

He was in good position all the way, and the stretch he came away as he pleased and won easily. He was bid up from \$500 to \$1,000 by "Crazy" Brown and retained.

Fred Foster made believe that he would protect him above \$1,000, but it is not better that \$3,000 would not have bought him.

Maximo Gomez, the favorite, was the pacesetter in the one and a half mile race. Wedderburn and Gray with the Star of Bethlehem, and coming away in the stretch won easily by three lengths.

Campbell Sells Out.

The partnership between John S. Campbell and Captain Murphy will be dissolved and a sale of the horses held at Gravesend. Mr. Campbell may open a public stable if he finds any other connection. Anyhow, he is no clever a horseman that he is sure to hold up again soon.

It is stated on good authority that some of the jockeys who have been punished recently by the jockey club have been offered a full pardon if they will turn "State's evidence." No result is said to have been attained as yet.

McGOVERN DEER ARE BEING HOUNDED OPENLY IN THE ADIRONDACKS.

A 5 TO 4 FAVORITE.

BETTING on the McGovern-Palmer fight was rather brisk yesterday, several important wagers being placed.

In the bets recorded McGovern was quoted a 5 to 4 favorite. Sam Harris, McGovern's manager, finding it impossible to get even money, took the initiative in offering the odds, and bet over \$3,000 on the American.

Harris met Dr. Ordway and A. F. Bettinson at the City House last night and the two admirers of the Englishman took all the money offered by Harris.

Dr. Ordway put up \$1,200 against \$1,500, and Bettinson bet \$1,000 against \$1,250 in the English champion.

Altogether Harris has \$5,000 in the balance. His first bet of \$2,000 was placed at even money.

Bettinson says he has \$10,000 more to bet on Palmer at 4 to 5.

A number of small bets were made in the up-town hotels last night at even money. McGovern and Palmer continue to train, and both are in superb condition.

McGovern seems to enjoy the work and is prepared to enter the ring at a moment's notice.

The Little Brooklynite was weighed in yesterday in the presence of a Journal reporter, and he scarcely tipped the beam at 155 lbs. This is a half pound under the weight the boys will meet at on Monday.

CORBETT'S \$1,000 FORFEIT HAS BEEN POSTED.

John Considine has posted a certified check for \$1,000 with Sam Austin as a forfeit to show that Jim Corbett is sincere in his desire to fight the winner of the Sharkey-Jeffries fight.

Corbett honestly believes that he can defeat either Jeffries or Sharkey, and now that he has been assured a match he is quietly undergoing a system of light training. He says he wants to win the championship and then quit the ring.

Conkley Will Pitch.

Conkley, formerly of the New York team, will pitch for Meiselman's Mountain A. C. team tomorrow at Washington against the West New York Field Club. Tim Hurst will umpire the game.

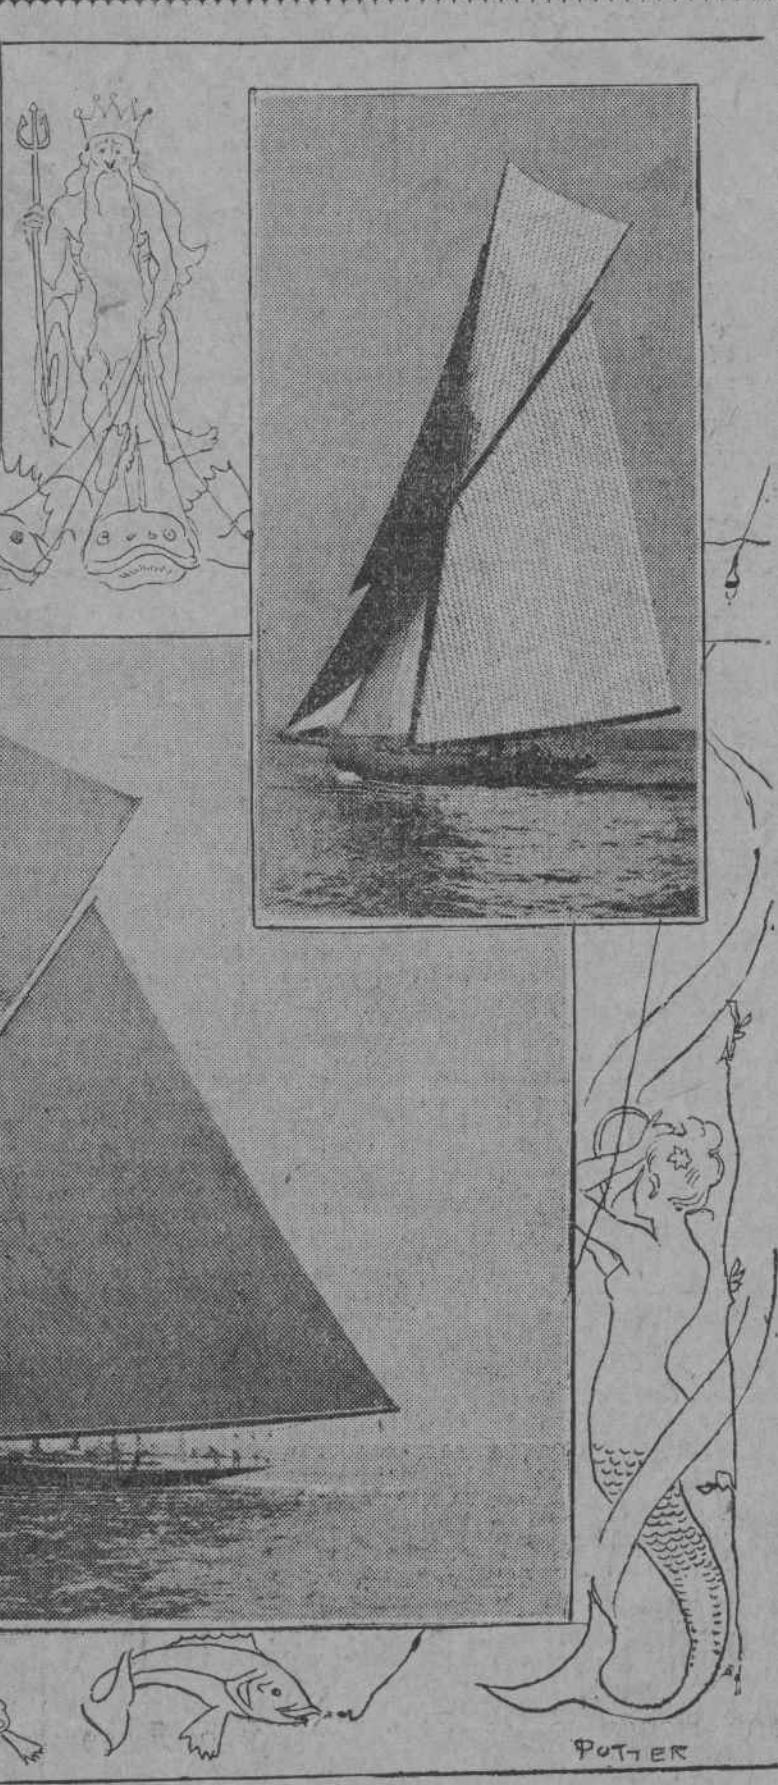

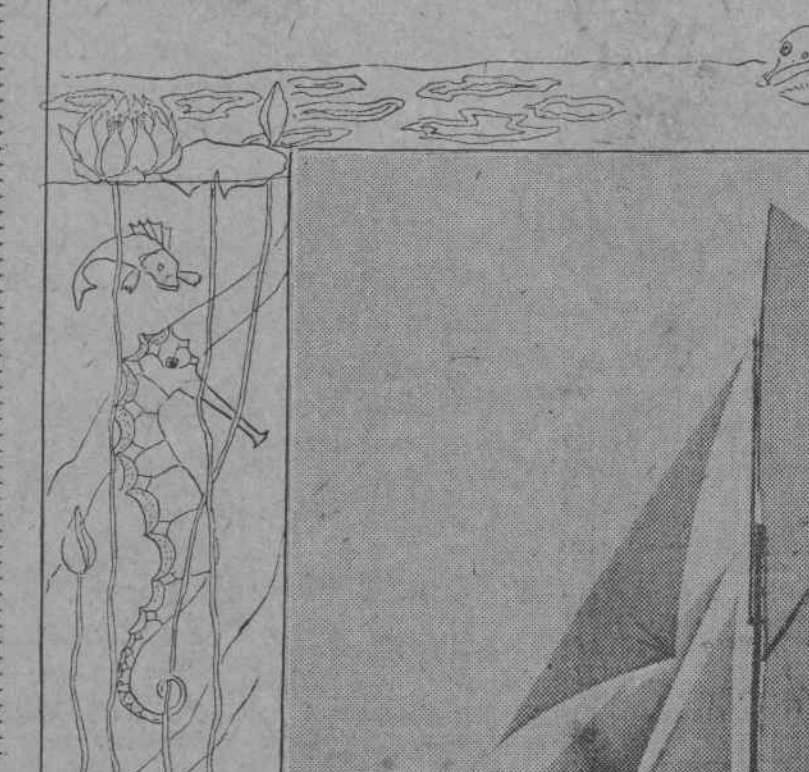

DEER ARE BEING HOUNDED OPENLY IN THE ADIRONDACKS.

REPORTS come from all parts of the Adirondacks that the law against hounding deer is being systematically violated. Deer are being hunted every day with hounds, and the game protectors seem utterly unable or unwilling to put a stop to it.

In some parts the hunters have hit upon the idea of muzzling the dogs so that they make no noise and are seldom seen unless the trail takes them across some clearing, but as a rule the hounding is done openly.

One deer has been driven to water by hounds and shot on Upper Chateaugay Lake, and dogs are reported to be running right along in the town of Delaware, in Franklin County.

Hounding is also reported from the Schroon Lake region in Essex County. It seems to make no difference to the hunters whether they are on State land or on land of private parties.

The Shamrock Sailing in a Light Breeze.

IT was clearly demonstrated yesterday that the English boat is not the equal of the Columbia in light airs. She made a poor showing when the wind fell to 3 1/2 knots, being practically helpless. In a similar breeze the Columbia did splendid work between Vineyard Haven and Newport. Her sails were well filled in what proved to be a dead calm for the Shamrock.

FASTEST MILE OF THE SEASON TROTTED BY NETTIE KING IN 2:06 1-4

THE fastest mile of the season was trotted yesterday by The Abbot in the free-for-all race at the Empire City Club's meeting. The time—2:06 1/4—was, moreover, speedier than the best of the Village Purse candidate.

Monterey and Louise Mac were even money favorites in the 2:10 trot, but Gayton, driven by McHenry, controlled the first heat, which was won by Louise Mac in 2:08 1/2, with Gayton at her wheel.

The chestnut mare led all the way around in the second heat until McHenry sent Gayton along the back of the line. He overhauled the favorite in convincing fashion, winning by nearly two lengths, in 2:08 1/2.

The deciding heat was almost a repetition of the second.

PARET DEFEATS ALLEN, YALE'S CHAMPION TENNIS PLAYER.

The most exciting tennis of the week, at Tarrytown, took place yesterday afternoon in the final of the singles in the Steep Hollow Tennis Club's tournament.

J. Parnell Paret, the recent winner of the all-conquer tournament at Newport, defeated John A. Allen, champion of Yale.

After a first prize by his victory to-day, and to-morrow afternoon he will meet Harold H. Hackett, of Yale, in the challenge round for the Washington Irving challenge cup.

YOU CAN'T DO THAT

With the ordinary low-priced tire. If you twisted it so, the cheap rubber would crack and peel, the inner fabric would tear and burst, and should you wrest the valve it would come out by the roots. Just for fun try it on any tire offered at a low price, and see how quick the man'll stop you. Then give him the laugh and come down and tug at our Empire tires (they're a dollar a piece), for if they'll stand the roughing of the road they must stand the testing in the stores.

There's one thing, though, they're inner tube tires and that, but honestly, now, wouldn't you rather have a "bang up" inner tube tire full of life, resilient, of pure rubber, fine fabric, the kind that seems to make your wheel go alone, than a stiff, worthless single tube that won't run two weeks?

Of course, if you must have a single tube, we have the reliable kinds at saving prices, but then here's the greatest snip, and remember it's FOR TO-DAY ONLY— if you can't come to-day SEND THE BOY, for you can't get 'em Monday.

JEFFRIES WILLING TO FIGHT CORBETT AND FITZSIMMONS.

The Champion Is at Glasgow in the Best of Health and Condition.

LANSLOW, Sept. 8.—Jim Jeffries arrived here today. The champion looks in the best of health.

It is surprising to the sports how such a heavy man as Jeffries can be so active on his feet.

Jeffries, in an interview with a Journal representative, said he was enjoying his tour through Europe, but expected to return to the States soon to prepare for his bout with Tom Sharkey.

"I shall stay here for a week," he said, "and then sail for the States. I shall go into active training at Allenhurst, N. J."

"Four weeks will be all that is necessary to get into shape. I am just as confident as ever of defeating Sharkey. He is a good big strong fellow, but that lets him out."

"After Sharkey nothing would suit me better than to meet Corbett. Then if Fitzsimmons is anxious for a return match he will be accommodated."

ZEIGLER KNOCKS OUT BURNS OF CINCINNATI IN TWELFTH ROUND.

WHAT was to be a twenty-five-round bout at the Broadway A. C. last night ended in the twelfth after a tremendously hot and bloody fight. Owen Zeigler, of Philadelphia, who had generally the worst of the "go" in the early stages, knocked out Charley Burns, of Cincinnati, in the twelfth round by a solar plexus blow.

Fred Vanech, of Mount Vernon, in the preliminary, knocked out Frank Collier, of Brooklyn.

The star bout was at catch weights between Charley Burns of Cincinnati, and Owen Zeigler, of Philadelphia.

The first round was lively. Burns, who looked like Dan Creedon, forced the fighting and landed on the body until Zeigler began to get his bearings and put in a couple of hard lefts, one on the ear and one on the face.

Burns pursued his roughing and shoving tactics up to the ninth round. Zeigler's face was badly marked.

Zeigler never gave up and planted his right frequently in Burns's face in the rushes Burns made. The men were covered with blood.

The tenth and eleventh rounds were the most vicious. Zeigler had badly injured his right hand before the fight, but he continued to upbraid on the body.

In the twelfth Zeigler stood back for a few seconds, then let go a jab on the ear. It landed properly, and Burns went down and out amid the wildest excitement.

LENNY AND FORBES FIGHT MONDAY AT CONEY ISLAND.

Bobby Lenny and Harry Forbes will meet in the 25-round bout at Coney Island Monday night, and the principals in the 20-round contest will be Larry Burns, of Colches, and Jack Delaney, the local boxer.

While none of the above quartet is a champion ship holder, all are excellent fighters, and the sense and meaning of the word. Both pairs are well matched and should furnish fast and interesting goes, calculated to please.

Lenny has attracted considerable attention by his fights hereabouts, but until last Saturday he was regarded as only an ordinary youngster. Then, however, he made a big jump up the pugilistic ladder by knocking out the local champion in their fight at the Greenwood A. C.

Forbes Lenny's opponent, is one of the slaves school of boxers of Chicago. His recent defeat of Billy Roseford entitles him to a place in the class.

The 20-round bout, which will feature the well-known-forbes bout, promises to be exceedingly exciting.
